UI/UX Engineer Intern  
HashBaze · Remote | Mar 2025 – Present

UI/UX Designer Intern  
Taurgo · Remote | Aug 2024 – Feb 2025

# SACHIN SILVA

## UI/UX Designer

Creative UI/UX Designer with a strong foundation in user-centered design and visual storytelling. Experienced in designing intuitive, high-performing digital products from concept to prototype. Skilled in Figma, usability testing, and design systems, with the added advantage of full-stack development knowledge to bridge design and implementation.

# EDUCATION

**B.Sc. (Hons) Software Engineering** 2022- Present  
University of Bedfordshire

**Higher Diploma in Information Technology** Completed  
SLIIT City University

# PROJECTS

**AI Integration Platform**  
Designed a unified software combining multiple AI platforms with varied features. Focused on improving usability, simplifying interfaces, and creating consistent design patterns. Enhanced onboarding flows and collaborated with cross-functional teams.  
Figma, Wireframing, Prototyping, UX Research

**SaaS Platform Improvement & Landing Page Redesign**  
I improved the usability of a SaaS platform and redesigned its landing page to enhance user engagement and visual appeal.  
Figma, Wireframing, Prototyping, UX Research

**Water Villa World**  
A booking engine designed for reserving luxury water villas for a UK-based client. Included theme research, icon design, and creation of high-fidelity mockups to deliver a premium, user-friendly booking experience.  
Figma, Adobe Krita, Web Design, UX Research

# CERTIFICATES / AWARDS

**Nasa Space App Challenge** 2021  
Achieved "Global Connection Award"

**Designathon 2021 SLIIT** 2021  
Achieved "Merit Award"

**Designathon 2020 SLIIT** 2020  
Achieved "Merit Award"
